The Warren Commission
Washington, D.C.

Dear Sirs:

As a resident (and registered voter) in the 7th Cong. Dist, State of Washington, I receive all sorts of Stinson propaganda through the mail.

The latest is this sheet, and it prompts me to send it on to you to let you know that a well-known smear technique is being used against one of your employees by a member of Congress.

be sent to me or to the Seattle newspapers ("Times" + "Post-Intelligencer")?

Most sincerely,

Irene K. Garrison
